## ACCEPTS INVITATION OF SUPREME COUNCIL

### UNITED STATES WILL BE REPRESENTED AT COUNCIL MEETINGS

Will Also Take Part In Conferences  
Of Ambassadors And Repara-  
tions Commissions--Will Not In-  
volve This Country In Any Way  
However.

(By The Associated Press)  
WASHINGTON, May 6.—President Harding accepted today the invitation of the allied supreme council that the United States be represented at the meetings of that body as well as those of the conference of ambassadors and the reparations commission.

George Harvey, new ambassador to Great Britain, will be the representative of the United States at the meetings of the conference of ambassadors in Paris and the reparations commission will be unofficial. Hugh C. Wallace, ambassador to France, will be the observer on the former, and R. W. Boyden will sit in an unofficial capacity on the latter.

Decision to accept the council's invitation was reached today at the regular cabinet meeting. Soon afterward the text of the American reply to the invitation was made public at the state department. It follows:

"The government has received through the British ambassador the courteous communication in which you state, that with the unanimous concurrence of the powers represented at the allied conference in London, you are to require whether this government be represented in the proper economic adjustments and in the just settlement of the matters of world wide importance under discussion in the conference, and desires helpfully to cooperate in the deliberations.

"This government, while maintaining the traditional policy of abstention from participation in matters of distinctly European concern, is deeply interested in the proper economic adjustments and in the just settlement of the matters of world wide importance under discussion in the conference, and desires helpfully to cooperate in the deliberations.

Mr. George Harvey, appointed ambassador to Great Britain, will be instructed on his arrival in England, to take part as the representative of the President of the United States, in the deliberations of the supreme council. The American ambassador to France will be instructed to resume his place as unofficial observer on the conference of ambassadors and Mr. R. W. Boyden will be instructed to sit again in an unofficial capacity on the reparations commission.

"The government notes with pleasure your expression of the belief of the representatives of the allied governments assembled in London, that American cooperation in the settlement of the great international questions growing out of the world war will be of material assistance."

This communication was delivered to Sir Auckland Geddes, the British ambassador, who on yesterday handed to Secretary Hughes the invitation of the council, signed by Premier Lloyd George of Great Britain, as its president.

Does Not Mean Participation  
In the highest administration circles it was emphasized that the action taken today did not mean the participation of the U. S. in any project "of a world government or world league." It was said that it was inevitable that the United States have an advisory part in the settlement of the vast economic and other problems growing out of the world war.

Announcement that the invitation had been accepted came after the senate had adjourned. Republican senators generally expressed approval while Democratic senators said they were disappointed because the President had not decided to have the government officially participate.

Administration officials made it plain that Mr. Harvey would sit with the premiers of Great Britain, France and Italy and the representatives of Belgium and Japan on the supreme council as the personal representative of the President of the United States and not the American government. He will be without authority to bind the United States to any action taken.

Mr. Harvey will be in a position to keep the President fully informed on all subjects with which the council has to deal. It is this body has developed a settlement of more important questions resulting from the world war and to it has been referred the American protest to the league

### SENATE FIXES DATE FOR VOTING ON THE EMERGENCY TARIFF

Gerry Wants Presi-  
dent's Policies to  
Conform

(By The Associated Press)  
WASHINGTON, May 6.—The senate by unanimous consent today fixed next Wednesday for a vote on the emergency tariff and anti-dumping bill. It was decided to limit speeches to ten minutes for each member on each proposition taken up after noon on that day when voting on all amendments will begin.

The action was taken after half an hour's discussion of the agreement proposed by Senator Pomeroy, Republican, Pennsylvania, who again urged that desultory debate be eliminated. His statements concerning discussion of unrelated subjects brought on exchanges with Senator Reed, Democrat, Missouri, who insisted Mr. Pomeroy was using undue haste.

Senator Simmons, Democrat, North Carolina, resumed his discussion against the bill, begun yesterday and was followed by Senators Fletcher of Florida and Gerry of Rhode Island, both Democrats, who attacked it from all angles. Mr. Fletcher asserted congress was pursuing a wrong policy in the present state of conditions some of those close to the white house expect that as soon as the present emergency has passed the supreme council will be asked by the United States to take up the disarmament question.

Mr. Gerry inquired why President Harding did not make his policies "conform" referring to the President's expression of friendship for South and Central America, which he said was out of line with a declaration of a tariff barrier against Canada.

An amendment extending anti-dumping provisions of the bill to the importation of airplanes was introduced by Senator New, Republican, Indiana.

Both Republican and Democratic senators were agreed that the President's action in accepting the invitation of the council would require no expression or action by the senate.

"The policy of the President," said Senator Moses, Republican, New Hampshire, "involves some extension of diplomatic capacity. No senate approval or action of any kind would seem to be required. It appears that the policy will not involve us in any foreign entanglements."

Senator Hitchcock, of Nebraska, senior Democrat of the foreign relations committee, expressed frank disappointment over the President's course.

"It is a meagre acceptance of the allies' invitation," he said.

BANKERS APPROVE  
OF ACCEPTANCE OF  
ALLIED INVITATION

Also Oppose Government  
Ownership of Rail-  
roads

PINEHURST, N. C., May 6.—Resolutions approving acceptance by the United States of the allied invitation for American representation on the supreme council, opposing government ownership and operation of railroads, approving the McFadden bill to amend the federal reserve act so as to transfer the functions now exercised by the comptroller of the currency to the federal reserve board and opposing issuance of tax exempt securities were adopted at the final session today of the annual meeting of the executive council of the American Bankers' Association.

Other resolutions adopted proposed federal regulation of investment securities approved the budget system for handling government finances and suggested the need for bringing into operation at the earliest possible moment financing machinery for the extension of long time credit to restore foreign trade.

### COUNSEL FOR ROADS SAYS STATEMENT OF UNIONS IS NOT TRUE

Branded as Revolution-  
ary in Character  
and Irrelevant

(By The Associated Press)  
CHICAGO, May 6.—Labor's charges of financial mismanagement by railroad managements were declared irrelevant, and fallacious today when representatives of eastern roads began their closing argument before the railroad labor board in the wage reduction hearing of nearly 100 roads.

Exhibits compiled by W. Jett Lauck in behalf of the unions came under fire from E. A. Senneff, counsel for the Pennsylvania, John G. Walber, speaking for all eastern roads, and Jacob Aronson, counsel for the New York Central. The railroads took up their rebuttal this afternoon following the closing arguments for the employees, made by heads of the big four brotherhoods.

Charges of past financial mismanagement was "water over the dam," Mr. Senneff said, adding that the interstate commerce commission now controlled all financial transactions. Mr. Walber said that "from reading Mr. Lauck's exhibits, one might get the impression that American railroads are antiquated and inefficiently managed." He denied such presumptions and pointed "with pride" to American transportation.

Makes Specific Answer.  
Answering specifically as exhibited by the employees on alleged mismanagement of the New York Central railroad, Mr. Aronson branded it as "revolutionary in character," and contrary to the findings of state and federal courts. Altho he said the exhibit was extraneous, consisting of "vagaries and platitudes" and should not be allowed to divert attention from the main facts of the case, he made a brief reply to several of labor's accusations.

The consolidation of 1914, in which the Lake Shore and Michigan was brought under the New York Central control, showed "extreme conservatism," he continued. He declared large blocks of stock in subsidiary companies were wiped out and not capitalized in this merger. The 1914 consolidation, he said, had received approval of numerous courts from the public service commissions of New York, Ohio, Michigan and Illinois to the United States supreme court.

"The bold conclusions on the financial performance of railroads," Mr. Aronson concluded, "appear to be predicated to a large extent upon the novel assumption that undistributed surplus does not constitute capital."

FIGURES GIVEN ON NEW  
YORK'S FOREIGN BORN

(By The Associated Press)  
WASHINGTON, May 6.—New York City's foreign born white population showed slight increase in numbers and went down in its ratio to total population according to 1920 census figures made public today. The increase in numbers for the last decade was less than one tenth of that for the previous ten years and the percentage, compared to total population, dropped from 40.4 to 35.4.

The actual numerical increase was 61,613, bringing the city's total foreign born to 1,989,216.

Russia continued to lead as the country of birth of New York City's foreign born, with 479,481. Germany showed the largest numerical decrease with a loss of 84,556, while Austria showed the next largest decrease of 63,790. Ireland's decrease was 49,829, and England's 6,847.

Italy showed the largest numerical increase with a total of 47,000 larger than ten years ago. Greece had the largest percentage increase, amounting to more than 160 per cent.

AMERICANS WANT TAX  
RELIEF SAYS PENROSE

(By The Associated Press)  
WASHINGTON, May 6.—The American people are more concerned just now "in getting taxes revised than in any academic discussion" of international disarmament, Senator Penrose of Pennsylvania, a Republican member of the senate naval committee, declared today.

"I look on this disarmament proposition as a purely idealistic and nebulous theory," said Senator Penrose. "It does not appeal to me in any way. I believe in attending to our own business with adequate protection from attack which is not likely to come."

### WILLIAMSON IS FOUND GUILTY OF MAIL ROBBERY

Jury Returns Verdict Find-  
ing Him Guilty of  
Complicity.

(By The Associated Press)  
ST. LOUIS, May 6.—Loren Williamson of Mount Vernon, Ill., was found guilty of complicity in the \$189,000 mail robbery at Mount Vernon January 14, last, in federal court in East St. Louis this afternoon.

Although a single verdict of guilty was given, Williamson had been tried on six counts of grand larceny. Some of these counts carry fines and imprisonment ranging from three to five years.

The court set Friday as the date for hearing the motion for a new trial and deferred sentence pending the outcome of the petition.

Guy Kyle, a former Free Methodist minister, charged jointly with Williamson, had previously testified that he stole the mail sack containing the money but that Williamson afterward helped him hide it.

Kyle was granted a separate trial but officials expect him to plead guilty in view of testimony he has given against Williamson.

IMPEACHMENT OF  
GOVERNOR IS ASKED  
BY BOND COMPANY

Allege He Refuse to Give  
Ten Minutes of His  
Time

(By The Associated Press)  
MADISON, Wis., May 6.—Impeachment of Governor John J. Blaine because of his refusal to give 10 minutes of his time on a busy day to listen to the troubles of a local bond house, was asked today by Victor H. Arnold, president of the Madison Company, in a petition to the legislature.

Mr. Arnold complained that Blaine refused to hear the matter, "and insisted that 11 o'clock the next day would be the earliest he could consider an appointment." Arnold said he told the executive clerk that the next day would be too late and desired him to so notify the governor.

The interview was asked, according to Arnold, because no effort had been made on the part of the district attorney to secure evidence in a local bond company case where Arnold accused the vice president of the company with embezzling funds.

Arnold declared he believed Blaine's action "is opposed to public policy and endangers the rights, privileges, and freedom which the constitution of the United States gives to him as a citizen of the same."

HOPES EXPECTATIONS OF  
PEACE WILL NOT RUN HIGH

(By The Associated Press)  
Belfast, May 6.—Speaking tonight at Holywood, a suburb of Belfast, Sir James Craig, premier designate of Ulster, in referring to his conference with Eamonn de Valera, said:

"I only hope that expectations of immediate peace may not be too high, either across the channel or here."

Sir James reiterated that neither he nor any Ulster loyalist would consent to a republic or any weakening of the ties between Ulster and Great Britain.

Nothing has been surrendered or would be surrendered, the speaker declared, and the Sinn Fein knew it.

### ORGANIZED LABOR PLANNING TO MEET HIGH LIVING COST

Will Establish Co-Op-  
erative Societies  
Thru Unions

(By The Associated Press)  
CINCINNATI, May 6.—Organized labor is planning to meet the high cost of living and profiteering by the establishment of co-operative societies.

Plans for promoting this movement thru trades unions were discussed at length today by the executive council of the American Federation of Labor, and will be incorporated in the council's report to the annual convention in Denver. The council it was learned, will ask the federation to endorse the work of the federation's special committee on co-operative societies and give its full support to the movement, which has already gained headway in the central states.

"Not only can we reduce the cost of living," said James Duncan, of Quincy, Mass., vice president of the federation, "thru co-operative societies but we can eliminate profiteering. We can check it so far as it affects the purchase of the necessities of life and the costs thereof now controlled by a minority."

Mr. Duncan said that all "other citizens in sympathy with the trades union movement" would be asked to join in the co-operative plan.

The council, it was learned, disapproved the Johnston-Dillingham immigration bill just passed by congress because it does not contain the drastic prohibitive features desired by organized labor. The council takes the position that at least two years prohibition of immigration is necessary to adjust after-war industrial conditions and prepare the country for a new influx of immigration from abroad.

The council has also under consideration a declaration demanding a "square deal" for labor under the anti-trust laws. If this cannot be obtained by legislation the repeal of all anti-combination and so-called conspiracy laws will be asked.

COMMUNISTS AND  
MOUNTED GUARDS  
FIGHT IN STREETS

Number of Soldiers Are  
Wounded by Revolver  
Shots

(By The Associated Press)  
PARIS, May 6.—The communists are conducting an active campaign against mobilization, which resulted in four street battles during the night between communists and mounted guards. A number of soldiers and police were wounded by revolver shots, rocks and bottles. Many arrests have been made.

The communists, according to LaLiberte, are planning a demonstration on the boulevards for Saturday night and Sunday and the police are preparing to suppress it.

The disturbances appear to be limited to tenement sections of the city.

BUILDINGS BOUGHT BY  
NEGROES DYNAMITED

(By The Associated Press)  
Chicago, May 6.—Windows in two apartment buildings recently purchased from white owners by negroes were broken and walls pitted by the explosion of a dynamite bomb shortly before midnight tonight. Pupils in St. Xavier's academy nearby were thrown from their beds by the explosion. A hole five feet deep and ten feet in diameter was torn in the alley between the two buildings by its force. Several white tenants in the two buildings, requested by their new owners to give up their apartments, had replied they could find no place to move and are occupying their apartments.

A delegation of 200 colored preachers and business men today sought the assistance of Mayor Thompson in hunting the persons who have placed bombs in districts recently occupied by negroes.

FORMER COLLEGE  
PRESIDENT TO CHINA

Washington, May 6.—Dr. Jacob Gould Schurman of Ithaca, N. Y., former president of Cornell University and former minister to Greece and Montenegro, is understood to have been chosen by President Harding for American minister to China.

Dr. Schurman for many years has been an authority on international law and economics.

### MUST CURE ECONOMIC ILLS BY PRACTICAL LEGISLATION-EDGE

New Jersey Senator Says That Theoretical  
Laws of Recent Years Has Failed to Give  
Relief—Asserts Must Readjust Taxes and  
Formulate an American Tariff Policy

(By The Associated Press)  
CLEVELAND, May 6.—Practical legislation to cure the economic ills now prevailing, instead of theoretical legislation of recent years designed to only temporarily relieve them, was advocated tonight at the annual banquet of the national foreign trade council's convention by Senator W. E. Edge, of New Jersey. Mr. Edge is the author of the Edge law making provision for the establishment of the Foreign Trade Financing Corporation with a capitalization of \$100,000,000. A message from President Harding, expressing gratification with work being done by the council, was read.

"National prosperity is dependent on production in industry," was the keynote of the senator's speech. Mr. Edge asserted that "industry cannot be inspired or prospered by promoted merely by legislation," and urged the establishment of confidence at home and the extension of credit to foreign buyers as the best, practical methods of stimulating American production and prosperity.

He said in part:

"Uncle Sam is now suffering from complications. The real ill is lack of markets, caused at home by a buyers' strike and abroad by lack of cash and non-cultivation of credit. The first medicine for the buyers' strike must be confidence and for the foreign situation it must be the provision of credit, and the transmutation of that credit into dollars to pay to American producers and American labor and American agriculture."

Must Readjust Taxes  
"The present erroneous unjust and inadequately remunerative tax system must be readjusted and an American tariff policy, designed to meet present day conditions, must be framed and adopted."

"Above all, government co-operation with private business must be substituted for government rivalry, competition oppression and prosecution. All the arbitrary legislation in the world, accomplishing only artificial results, will not effect a permanent cure for economic depression."

"The deplorable situation of the railroads is a factor in the prevailing uncertainty and to that extent is contributory to the buyers' strike."

"Under the export finance amendment to the federal reserve act expanding the American banking system to international proportions, immense credits may be furnished to impoverished foreign purchasers of American goods, these credits being turned into American money for payment to American purchasers and vendors with profit to every American involved in the transactions."

"No legislation is needed for this procedure; it has been provided. It merely remains for the financial and commercial groups in the United States to take advantage of the opportunity."

"An export finance corporation is now being organized with \$100,000,000 capital, permitting it to do business of one billion dollars. There is more than enough business in sight for all."

UNCLE JOE CANNON'S  
BIRTHDAY IS OBSERVED

(By The Associated Press)  
WASHINGTON, May 6.—The House adjourned tonight until Monday in order that, as Representative Mondell, Republican leader, expressed it, the 85th birthday of "Uncle Joe" Cannon, could be fittingly celebrated tomorrow. The Illinois representative, who, despite his age, is regular in his attendance, was given an ovation when it was announced that the oldest member and speaker of the house for eight years had rounded out another year.

It is a worth while proposal that hospital day shall be observed with an appropriate program. Many people are familiar in a general way with what the local hospitals mean but comparatively few give due credit to these institutions for the beneficence of their work.

The hospitals, like some other

blessings, are merely accepted as facts and it is a rare thing for people to think what the existence of the hospitals means and how that existence voices the best thought and purposes of the people. Imagine if you can, what it would mean if this city were without its hospitals and then you can sense in a new way the importance of these institutions.

Senator Cummins, who is reputed halfway friendly to government ownership of railroads, says that more efficient management can result in saving of \$200,000,000 a year for the roads. He refers to some lessening in expense in salaries and wages and better operation methods.

However, the senator admits that the wage factor is the most important, since wages now make up 70 per cent of the expense budget, whereas 46 per cent was the figure in the pre-war days.

In this period of comparative unemployment applications to the Social Service league for aid are much more frequent than usual. The league superintendent makes careful investigation in every appeal and where real need exists aid is given. It is in times like the present that the real efficiency of league service is put to a test.

Every little while there is a demand for the publication of the government's slacker list. But the danger in publication is quickly proven from the first installment of names made public. One of the "slackers" proved to have been one of the heroes of the war, the owner of a congressional medal for special bravery shown.

There is work in Jacksonville for a Chamber of Commerce, that is, an organization of business men for business purposes. Evidently the local citizens co-operating with the representatives of the American City bureau plan to build a stable business organization here.

The hearing on the proposed packer control bills shows that the big firms have sustained tremendous losses the past year, especially because of foreign trade conditions. Too often in considering legislation and business conditions that will affect the packer, the producer of livestock overlooks the fact that the same legislation and conditions will also affect his private business.

The movement for the planting of memorial trees has taken a special impetus since the Chicago Tribune became so actively interested. It is very seldom that any objection is offered to this admirable plan for honoring the memory of former service men. It is said that the American Legion, joining in the movement will plant at least 10,000 trees in Cook county on the coming Decoration day. It is such a short time until that date that tree planting plans must mature rapidly.

## R. O. STOOPS WILL LEAVE JOLIET SCHOOLS

Division in Board of Education Results in Selection of Decatur Man as His Successor.

The Joliet Evening Herald-News in a recent issue tells of the appointment in Joliet of J. O. Engleman to be superintendent of the elementary schools of Joliet. Mr. Engleman will succeed R. O. Stoops, formerly of this city, whose term of office will expire June 30.

Mr. Engleman is superintendent of schools in Decatur and prior to his service there was vice president of the Wisconsin state normal. At one time he was head of the training department of the Indiana state normal. He will receive a salary of \$7,000 in the Joliet position.

The appointment of Mr. Engleman to succeed Mr. Stoops came in a stormy session of the school board. A petition bearing 395 signatures was presented asking the board to retain Mr. Stoops. There were numerous spectators in the room and many of them cheered the members of the board who espoused the cause of Mr. Stoops. However, when the vote came by decision of four to three Mr. Engleman was selected.

## DOKAYS IN MEETING MONDAY EVENING

L. O. Vaughn Tells of Progress for 1921 Convention—Dance to be Given in Armory Hall May 17.

Ilderim Temple No. 62, D. O. K. met in regular session in Castle hall Monday evening with a large attendance.

L. O. Vaughn was present and reported on the progress of plans for the 1921 convention of the Imperial Palace to be held in Chattanooga, Tenn. So far fifteen teams have reported in and will be present at the meeting.

It was decided to give a Dokay dance in Armory hall Tuesday evening May 17 for the benefit of the drill team to raise money to send them to the national convention.

The team will be present and will give an exhibition drill and the Knights of Pythias quartet will also give several selections.

## ROBIN HOOD PLEADED LARGE AUDIENCE

Dunbar Production of Well Known Comic Opera Satisfying in Every Particular.

Ralph Dunbar's production of "Robin Hood" delighted a large Jacksonville audience at the Grand Opera house last night. Manager Eschbach certainly conferred a favor upon the people of this city when he booked this attraction.

"Robin Hood" has pleased audiences for so these many years with passing time the opera loses nothing of its tuncful interest and the pretty story is not marred by being so often retold. Elsie Thiede as Maid Marian sang the leading soprano role and gave proof of her musical ability. Robert Robinson interpreted "Little John" and his rich baritone voice admirably suited the part.

But it is not worth while to make individual comment on a cast of such uniform excellence. Suffice it to say that in stage settings, costumes, solo and chorus work, "Robin Hood" as presented here last night was a very high class attraction.

## SCOTT COUNTY RED CROSS ACTIVITIES

Report for Months of March and April Indicates That Much Work Is Being Done in County—Other Winchester and Scott County News.

Winchester, May 6.—The Red Cross chapter of Scott county feels that a great many more people would be interested in the nursing service if they understood more about it. For that reason a report of the work in the county is made public, giving the following facts:

## Report for March 1921.

Schools examined 7.  
Pupils inspected 239.  
Health talks to groups 4.  
Callers in office for literature, weighing etc., 47.

Corrections, teeth, tonsils and vision, 21.

Cases excluded for skin disease, 1.

Pupils with defective teeth 119.

Pupils under weight or anemic 25.

Cases referred 5.

Calls made 21.

## Report for April, 1921.

Schools examined 7.  
Children inspected 145.  
Talks to groups 6.  
Cases referred 8.  
Calls made 29.

In the three months that the work has been going on, a loan chest has been installed and used. Five health talks have been given by the nurse or a doctor to clubs, and seven talks to smaller groups. A series of public health films, "Every day problems" has been shown in the local moving picture house. It is the hope that at the beginning of school in the fall these health programs will be able to place a modern health crusade in every rural school, and hot lunches for children in at least a few in connection with the health work and stimulate an interest in the county.

Mr. James Overton has organized a tuberculosis committee in every precinct to help discover and handle the cases that need attention. These committees are to spread preventive information as to tuberculosis in the localities and to educate the people. They will awaken the facts in the minds of the public that we have in Scott county a law in force which enables us to care for in a sanatorium or otherwise any tuberculosis cases that need medical attention.

The tuberculosis directors are already referring cases to the nursing service.

## News Notes.

The meetings are still in progress at the Presbyterian church and a good deal of interest is being manifested. There is a good attendance at each service and every indication that the series will be successful.

Mrs. Fred Brock and son of Denver, Colo., were visitors in Winchester Thursday.

Frank Gilman who has been quite ill at the home of Mr. and Mrs. Lee Berry, was able to return to his home in White Hall Thursday.

A number of improvements are now being made in the C. B. Q. station, including a new roof and other betterments.

Miss Katherine Hubbard entertained a number of school friends Friday afternoon at the home of her aunt, Mrs. Allen Watson. The event was in honor of the twelfth birthday of Miss Hubbard and the young folks enjoyed games and contests during the hours from 3:30 to 6 o'clock. The young hostess received a number of very nice gifts. During the afternoon delicious refreshments were served.

George Entrikin who has been at Winchester, Pa. since March, called there by the death of his mother, has returned to Winchester with a bride, who is gladly welcomed in the city.

Miss Mary Higgins visited friends and relatives in Jacksonville Thursday and Friday.

Funeral services for A. E. Cockerill will be held at the Baptist church in Winchester at 10 o'clock Saturday, Rev. W. R. Johnson officiating.

## RAN AUTO THRU ROADSIDE FENCE

Big National Car Badly Damaged in Accident Near Antioch Church—Occupants Had Fortunate Escape.

An automobile road accident about 11 o'clock last night resulted in a badly damaged car and minor injuries for the four passengers. Foster Sheppard and Earl Sturdy, accompanied by two young ladies, were driving a National car to Springfield, where one of the young ladies is resident and the other a guest. A short distance beyond Antioch church the road turns sharply and the driver failed to make the turn and the big National car went thru the hedge fence and was overturned. The four occupants were thrown out but fortunately were not seriously injured.

A passing motorist brought them into Jacksonville and it was found that their bruises and cuts were all of a minor character. Two wheels of the nearly new car were broken and other damage was done to both the gear and body.

## DETECTIVE IS SHOT BY FREIGHT THIEF

JOHN DAGENHART OF THE BURLINGTON INJURED IN REVOLVER BATTLE

Detective and Associate Were on Watch at Concord—Thieves When Discovered Open Fire and Dagenhart Was Wounded—Three Suspects Arrested.

John Dagenhart of Centralia, a detective in the employ of the Burlington railroad, was shot by a box car thief in an encounter at Concord about 3 o'clock Friday morning. A few hours afterward Dagenhart was brought to Passavant hospital here. His case is in charge of Dr. Carl E. Black. An X-ray picture showed that one bullet was resting on the spine and that another was in the groin. Dagenhart's condition is serious.

The injured man and Detective A. E. Jones of Beardstown were on watch at Concord because there had been a series of freight car thefts at that station. Shortly before 3 o'clock some cars of merchandise were switched to a side track. It was not long afterward that Dagenhart and Jones heard someone moving toward the cars. Waiting but a short time, the detectives approached the car as quietly as possible. However, they were heard and the thieves opened fire.

Dagenhart was wounded at once and fell to the ground. The thieves ran and Jones in pursuit, fired a series of shots. Then Detective Jones returned to the aid of his companion. He notified the Concord agent and Beardstown was asked for a special train to bring the injured man here. A Concord physician was also summoned. Then Detective Jones joined in the search being made for the bandits.

Sheriff Weatherford here had been notified and accompanied by Deputy Sheriff Andrews reached Concord about 4 o'clock. The Ross bloodhounds of Alsey happened to be in Jacksonville and were taken to Concord but they were unable to trail beyond the railroad yards.

Later in the day three tourist in camp near Concord were arrested by Sheriff Weatherford and Deputy Roach and a railroad detective and brought to Jacksonville. They were taken to the police station and gave the names of Henry Russell, John Clark and Charles Devine. Chief of Police Kilar recognized Devine as a man, who had been in Jacksonville a week ago and when arrested then gave the name of Joe Henry. After his original arrest the man was released as there was no charge against him, but he was required to leave town. Charges of vagrancy have now been lodged against the three so that they can be held pending investigation of their record.

The small personal belongings they had when arrested gave no clue to the Concord robbery.

## O. G. PHILBROOK DIES FROM PARALYTIC STROKE

A letter received by Mrs. Henry Kamm yesterday from her brother-in-law, F. O. Philbrook told of the death of his father, O. G. Philbrook, in Albert Lea, Minn. Mr. Philbrook was for a number of years a resident of this city and was in business here. For several years past he has been making his home with his son. Death was due to a paralytic stroke.

The remains were taken to Springfield, Mo., for interment in the cemetery by the side of Mrs. Philbrook, whose death occurred a number of years ago. The deceased is survived by one son, F. O. Philbrook, of Albert Lea, Minn., and three daughters living in Ardmore, Okla.

## WILL SOME ONE ADOPT THEM?

Three Handsome Little Boys Need Homes—Will You Help?

The Red Cross is appealing to the people in this vicinity to adopt three little boys who are in need of a home—or homes. The children are 3, 5 and 7 years old, and are the handsomest little youngsters one can imagine—chubby faced, curly haired and have all the characteristics that make children so adorable.

The little boys mother died several years ago, and they have been living with an aunt. However, unemployment and sickness have led to financial difficulties and the children need some one to take care of them. They are healthy boys with a good inheritance. They are not destitute; they have clothes and have always had good care. Anyone who is interested in them can call at the Red Cross rooms and see their pictures and family history.

The children's aunt is anxious to find a home for the boys, either singly or all in the same family. If a home cannot be found for the little boys, they will have to be taken before the court, declared dependent and sent to state institutions. Every one knows what the life in a state institution is, no matter how fine an institution it may be. No one to mother them, no one to take a personal interest in them; deprived of a real home and following the deadly routine of institution life with the small chance for the joys of real childhood and the development of personality.

Are there not some families where these little youngsters may find love and home? Haven't you a little love and prosperity that you will share with them? If so, call the Red Cross today!

## ROTARY CLUB STARTS THE YEAR'S WORK

V. R. Riley Begins Duties of the Presidency—Permanent Committees Appointed.

At the weekly luncheon of the Rotary club yesterday the term of the new officers began and the announcement of permanent committees was made. Rev. M. L. Pontius, the retiring president, with complimentary words presented V. R. Riley, the new president and he at once entered upon his duties. The secretary, Dr. G. H. Kopperl, also began his work.

Following the transaction of routine business President Riley made an informal inaugural address. He made it plain that he appreciated the action of the club and directors in placing him in the presidency and expressed the hope that the ideals of service may be exemplified during the coming year. Some of the principles of Rotarism were touched upon and he is entering upon his duties with a full appreciation of the fact that the Rotary club is organized for serious purposes and not merely for entertainment.

Dr. Kopperl, the secretary, spoke briefly. He laid emphasis on several facts with reference to Rotary work and purpose which were given special prominence at the Peoria convention.

The guests of the day were introduced: Rev. A. P. Howells, pastor First Baptist church; H. L. Pawkes of Taylorville; Rev. George E. Stickey, pastor Congregational church; Emil Schram, Hillview; Jarvis Price and William Davenport of the American City Bureau; Perry Sargent, of Kansas City; Ralph Agee of San Bernardino, Cal.; H. L. Money, of Chicago; Harry L. Hall and Homer Potter, of Jacksonville. Dr. A. L. Adams made an announcement about hospital day observance next Thursday.

The committees for the year were announced by President Riley as follows:  
Entertainment—Dick Rowe, chairman, Carl Black and T. M. Tomlinson.

Fellowship—Earl Spink, chairman, Albert Metcalf, Ed. Brennan and W. D. Gilliam.

Public Affairs—Henry Freish, chairman, Frank Byrns, Fred Beggs, Bert Johnson and Charles Burger.

Educational—Myron Pontius, chairman, Harry Capps and Robert Woolston.

Work Among Boys—Paul Samuel, chairman, F. J. Heintz, Edward Cahill, William H. Marbach and Ben Roohouse.

Relations with International Headquarters—Charles H. Remmelamp, chairman, Walter Ayers, Henry Chapin, Elmer Gray and W. D. Doying.  
Rotary Clubhouse—John Hackett, chairman, Charles Mackness, Arthur Taylor, Charles Hopper, Frank Heintz, to be continued as secretary of this committee.

## BACK FROM LONG STAY IN ARIZONA

S. W. Nichols Has Returned After Period of Rest—Enthusiastic About Southwest.

S. W. Nichols and daughter have returned from their sojourn in Arizona much pleased with their experience. They landed in the town of Tombstone, Jan. 8th, coughing badly and extremely weak from an attack of pleurisy. The day they arrived a regular wind storm arose accompanied with severe cold, that is for that location and he was pretty well disgusted. In six days his cough left him and in ten days he walked a mile without fatigue.

Tombstone is a peculiar place. In the pioneer days a wild westerner, Ed Schefflin, told his companions he was going up into those mountains to get his fortune but they told him he would find his tombstone instead as the Apache Indians were present in uncomfortable numbers. He went however, and came back all right and named the camp Tombstone by which it has gone ever since.

At one time the place had 1,000 inhabitants largely depending on mining, but the mines closed and it has dwindled to 1,500 while all over the place are deserted business houses. There are some choice people in the place and they did everything in their power for the welfare and comfort of the sojourners.

After a stay of three weeks the twin went to Tucson where they remained for something more than six weeks very much pleased with the place and all pertaining to it. The people there were kind and cordial and ready to make friends with all newcomers. The state university is an important asset of the city while it was estimated that there were 20,000 visitors in the place during the season. The great drawback to Tucson is the heat that prevails three or four months of the year but otherwise it is very fine.

In the matter of weather Tombstone is a marvel in that it is a twelve months resort, the summers not being oppressive during the day and some warm bed clothes desirable at night. The cures that have been effected there are simply wonderful but unfortunately the place has no attractions and a sanitarium would hardly thrive there though it would in all respects be absolutely ideal for that purpose.

After a sojourn of six weeks in Tucson the twin returned for a second stay of six weeks or more in Tombstone. Many auto excursions to adjoining places were enjoyed and a number of attractions served to make the stay pleasant.

Last Monday they set sail for home putting a day at El Paso but were disappointed in not being able to cross over to Juarez as that privilege is reserved for holders of permanent passports. The territory visited has suffered much for lack of rain and the travelers wished they could send down a lot of the surplus moisture they saw in Kansas, Missouri and Illinois. The home train started late at Los Angeles but arrived in Kansas City on time to a dot.

**Knox Summer Hats are now shown by FRANK BYRNS Hat Store.**

**DO YOU WISH YOUR STREET OILED THIS SEASON?**

We have been given the contract for oiling the dirt streets in Jacksonville during the season of 1921. Our City Council are unable with the money they have at their disposal to oil the entire town. There are parts of our town where the residents do not want their streets oiled; these streets we do not wish to oil, because there are other streets where the auto traffic is so heavy that it is almost impossible to live without having the dust settled. If you want your particular street oiled and will help our City Council pay for the work they are willing to see that your street is properly taken care of during the season.

Our solicitors will call on you in the near future to find out if you wish the oiling. If you do, there will be a nominal charge of 5c per foot to pay the balance of the oiling. They are also in position to pay for the oiling of the vacant lots and of intersections. If your property is on the corner, you will be charged only for your frontage; there will be no charge for the side street.

Talk this matter over with your neighbors and find out what your decision will be. Remember, you can't all get this oil and we do not want to put it on any street where the residents do not want it. This is not at all compulsory, the decision rests entirely with you. If you want the oil you must help out on the expense. Have your mind made up so when our solicitor calls, you can let him know your decision.

## Have Pains?

Aches and pains seem to be the lot of the ordinary mortal. However, these should be taken simply as nature's warning signals that some part of the human machine is out of order. It is a mistake to resign one's self to physical torture when the cause can be removed.

## Foley Kidney Pills

tone up weak, inactive, sluggish kidneys and help rid the blood of poisons. These waste matter that causes aches and pains in arms and legs, backache, rheumatic pains, sore muscles, stiff or swollen joints.

Isaac B. Turnman, Ashbury Park, N. J., writes: "My back caused me a great deal of trouble for some time. I experienced sharp, shooting pains which were due to the condition of my kidneys. One bottle of Foley Kidney Pills completely relieved me. The pains left my back. I recommend Foley Kidney Pills to my friends."

FORMER LOCAL GIRL  
MARRIED IN CHICAGO

Miss Ethel Jones is Bride of Wilbur E. Sedgwick—Young People to Reside in DeKalb.

Announcement has been received here of the marriage of Miss Ethel Jones, formerly of this city, and Wilbur E. Sedgwick. The marriage took place in Chicago on April 29, and Mr. and Mrs. Sedgwick are now residing in DeKalb. The bride is a daughter of Mr. and Mrs. George W. Jones, until recently of this city and now resident in Springfield. She is a graduate of the local high school and also of Brown's Business college in this city. Following the completion of the business course she was for a time bookkeeper in the Courier office, and later filled a similar position in a Springfield office. Mrs. Sedgwick is a young woman of charming personality and is held in very high regard by a wide circle of friends.

Mr. Sedgwick is known to a number of local residents and is a young man of fine business ability and character. He and his bride have the hearty congratulations and best wishes of their friends.

IMPROVEMENTS AT  
PASSAVANT HOSPITAL

Work on New Laundry Room to Commence in Near Future—New Pathological Laboratory in Operation—Other Improvements Made.

The May bulletin of Passavant hospital issued recently gives some interesting facts about improvements now in progress at the institution, and others to be made at a comparatively early date. Among the recent improvements made was the laying of new asbestos floors in two of the surgical dressing rooms, in one of the halls and in the operating room.

Work is soon to begin on the new laundry room, contract for which was left recently to Joshua Vasconcellos. This will be equipped with the most modern appliances for laundry work and will be built just to the east of the boiler room. It will be a one-story brick building, 52x32 feet, and will have ample lighting facilities. The contract calls for completion within two months.

The new pathological laboratory is now in operation, up-to-date equipment having just been installed in this department. New sterilizing equipment is also to be installed at the hospital, and with this addition the surgical department of the institution will be second to none in this part of the country.

Miss Gladys Nunes is now serving as historian for the hospital. To her is assigned the task of checking up the daily records and seeing that all necessary data is supplied by the officers, doctors and nurses.

## IN MEMORIAM.

Elizabeth Woodward Hockenull Halsted.

Belated word has come of the passing of Mrs. Lizzie W. Halsted at St. Cloud, Minn., April 16th, ult.

Lizzie Halsted was born in Jacksonville, being the daughter of Robert and Matilda (McMackin) Hockenull, early settlers here. Lizzie belonged to the group of girls such as Laura Smith, Mary Glover, Clara Robb and others of our old first families. She attended the Female Academy until ill health forbade it, and had membership first in the First Presbyterian church, then in Westminster and finally returned to the First.

She was a pretty and attractive girl and young woman, and easily made friends. In common with her brothers John and Robert, she had musical ability in vocalism, and took a good part in exhibitions. Just as she came into womanhood a lifelong illness vented social and other activities, came upon her, which nearly precluded her from her life.

She was named Elizabeth Woodward for her paternal grandmother, as handsome and fine an old Englishwoman as ever walked forty miles in one day. Robert Hockenull needs not to be introduced to this community.

A native of England, educated for a physician, he came here about 1837, and went back in 1838 and brought out his brother, John. They were from Cheshire. They both were in the drug business; and, in 1866 Robert, with Messrs. E. R. Elliott and S. Reynolds King, established a banking house of Hockenull, King and Elliott. Mr. Hockenull's accounts on earth were closed in 1891. But he had been a helpful member of the First church, and also a strong supporter and trustee of Jacksonville Female Academy and of Illinois College. He had much musical taste, played on the flute and led the church choir for about a generation.

Matilda McMackin, daughter of Dennis and Margaret (Nelson) McMackin, who came here in 1836, from Philadelphia, was a sister of Mrs. Stafford Smith.

Mr. Joshua Moore, Mrs. Ensley T. Gowdy, Mrs. John Hockenull, (Sr.), Mrs. Wm. Divine of Philadelphia and Miss Eliza McMackin, Mrs. Hockenull's family, on both sides was of the most prominent and distinguished people of Pennsylvania and Delaware.

Robert and Matilda Hockenull were the parents of two children who died almost at once; of Lizzie; of Margaret, who died in infancy; of Jane S., who married Thos. J. Hood, of Sarah who married the Rev. Wm. J. Harsha, of John Nelson now in New Jersey, and of Robert McMackin, who died in 1915. The boys succeeded their father in the bank, and R. M. afterwards became a vice-president of the Ayers National Bank.

Lizzie Hockenull became the wife of Milton A. Halsted an assistant surgeon in the Union Army, in May, 1870. Dr. Halsted was a "beloved physician" and a man of worth. They lived until 1877 in Leavenworth, Kansas, where he came here and practiced his profession with success until his death in 1904. Dr. and Mrs. Halsted were the parents of Mary, who died in infancy; Matilda, who studied medicine and died as a young woman; Robert Hockenull, who married Miss Eva C. Smith of College Ave. Robert was a most winning young man, engaged in Y. M. C. A. direction work and insurance, and went to Texas, where he died July 28, 1915. He and his wife were the parents of three sons. Next after Robert was Lottie, who became the wife of Jerome Gates, of this city, and they went to Minneapolis, Minn. Mrs. Halsted went to be near her daughter there. The youngest child of Dr. and Mrs. Halsted was Jennie, who married Mr. Chamberlain, of Belchertown, Mass., where she now resides.

Dr. and Mrs. Halsted had many friends here and did their share in the upbuilding of Jacksonville.

## Daily Market Report

## STOCK MARKET

## BUSINESS HEAVY

By Associated Press.  
NEW YORK, May 6.—The stock market made further forward strides today on a volume and variety of operations which approached the maximum business of any session this year, but reacted variably at finish.

The day's news was sufficiently constructive to discourage resumption of short selling, where it did not actually complete covering of existing contracts.

Further reduction of rediscount rates by federal reserve banks and the opinion of Secretary Mellon that the country had passed the stage of liquidation confirmed the more hopeful advices received by leading financial interests.

The strength and prominence of rails, which again led the movement, advances of 1 to 5 points, constituted the most reassuring feature of the trading and probably presaged the early adjustment of wages and freight rates. Sales amounted to 1,150,000 shares.

Domestic money rates were unchanged, but foreign remittances were active. Speculative bonds of the railway division continued to keep pace with the demand for stocks of that class. The liberty group shared only slightly in the advance.

CHAMBER OF COMMERCE  
PLANS OUTLINED

Business Men Met at Court House to Further Organization—Executive Committee Named.

A meeting of business men was held at the court house last night to take some further steps with reference to the organization of a Jacksonville Chamber of Commerce. There was a goodly attendance with Henry Frisch presiding. Jarvis Price of the American City Bureau made a brief explanation of the organization plan. A black board chart was used to make clear some facts about the preliminary work, the campaign method and the purposes of a Chamber of Commerce organized on modern lines.

Among those who spoke favoring organization at this time were E. E. Crabtree, T. M. Tomlinson, George Edman, J. Herman, Albert Gebert, John S. Hackett, John W. Merrihan.

After some informal discussion R. Y. Rowe made a motion that the company assembled go on record in favor of the proposed organization plan. This motion was unanimously carried. It then became the duty of the men assembled to select an executive committee of 17. Those chosen were: E. A. Brennan, C. J. Buhner, H. L. Caldwell, T. A. Chapin, J. F. Claus, Henry Frisch, Fletcher Hopper, C. E. Hudgin, Richard Y. Rowe, T. M. Tomlinson, J. W. Merrihan, E. E. Crabtree, L. F. Randall, J. S. Hackett, E. H. Gray, J. Herman and J. W. Walton.

This committee will meet some time Monday to act on some further plans. It is proposed to carry on an educational campaign for several weeks thru letters, speakers, newspaper publicity and by personal interviews in acquainting people here with organization purposes and possibilities.

ANTI-TUBERCULOSIS  
DIRECTORS MEETING

Was Held Friday Evening in the Open Air School—Much Interest Shown.

A "Pep" meeting of the directors of the Morgan County Anti-Tuberculosis society was held at the open air school Friday evening.

Prior to the business session the company enjoyed a picnic supper. Rev. Myron L. Pontius, president of the society, presided. Josephine Milligan made the medical director's report and Miss Loving the nurse's report.

V. R. Riley made an excellent talk on the work of the society and Dr. Garm Norbury told something of his work, and Miss Hammond reported on the improvement of the pupils in the open air school. One boy gained 14 pounds and one girl 11 pounds last year.

Plans were discussed for the proposed visit of the state officials to the city when they will inspect the tuberculosis sanatorium now in process of construction. The directors also discussed the coming bond issue for the completion of the sanatorium and plans were outlined to bring the matter before the public in the proper light.

Those present Friday night were: Doctors Edward Rowe, Garm Norbury, Ellsworth Black, H. C. Woltman, Josephine Milligan and Grace DeFries; Rev. Myron L. Pontius, Dr. Thomas W. Smith, R. I. FORMER MUNICIPAL  
JUDGE SUBPOENAED

(By The Associated Press)  
CHICAGO, May 6.—George Trude, former judge of the municipal court, was subpoenaed today to appear before the Dailey legislative committee investigating building conditions in Chicago, to be questioned regarding an alleged deal whereby \$30,000 was paid to union business agents.

The money is said to have been paid to the labor leaders while a theatre was under construction. The connection of Mr. Trude was not disclosed. Several labor leaders testified today after which a member of the commission declared "the business agent has more power over his men than the former czar of Russia over his peasants." "We are told" Senator Daley said, "that the great majority of union men are opposed to the crooked work of their business agents but that they are powerless to prevent it."

CONFERENCES ARE  
STILL IN PROGRESS

(By The Associated Press)  
WASHINGTON, May 6.—Further conferences between representatives of the seamen's unions and Secretary Davis, who is attempting to reach a settlement of the wage dispute involving American shipping, were deferred today until Monday to give union leaders an opportunity to report to their organizations.

The terms, it is understood, provide for a continuation of the eight hour day and three shifts a day, which it is said has been a point of contention, together with a proposed reduction of wages, which government officials declare is not drastic.

Social Events

Is Surprised by Friends.

Anton Bergschneider was very happily surprised at his home in Alexander Thursday evening, by his relatives. About fifty-five grandchildren and children and other relatives were present. At 6 o'clock a bountiful supper was served and the evening most pleasantly spent.

"Gobbler" Club

Had Supper.

The men in the "Gobbler" club were hosts at a six o'clock dinner given last evening for their wives. The dinner was held at the home of Mr. and Mrs. Jerome Foley near Jacksonville. After supper the evening was pleasantly spent with music and games.

Gave Dancing Party

Mr. and Mrs. E. P. Cleary gave a dancing party Friday night at their home on Sandusky street for their daughter, Miss Helen Cleary and, Miss Carol Lander. These two young ladies are the two members of the Joiasovi camp fire who will graduate from local high schools this year. The hours from 8 until 11:30 o'clock were very happily spent and the guests found the hospitality of the Cleary home of a very satisfying kind.

Service Star Legion Met

With Mrs. Capps.

Mrs. A. T. Capps was hostess to the members of the Service Star Legion yesterday afternoon. The large hospitable Capps' home on North Church street was thrown open to the guests and a most delightful afternoon was passed. There were thirty-five members present, among them several gold star mothers.

The afternoon was given over to a purely social meeting and Mrs. Beulah Coddington sang a group of songs that were greatly enjoyed. "Sing Me to Sleep," "Rockin' Rockin' in the Wind," "No Use Kickin'" were among the songs which she selected.

Miss Narr, of the Illinois College School of Expression, gave two readings, "The Revolt of Tilly Mears" a story of the revolt of a woman on the western frontier, and a clever little reading "Mother's Nap."

In the course of the afternoon, Mrs. Capps served dainty refreshments. The guests accounted yesterday's meeting one of the most pleasant of the season.

Young People Have Social.

The Juniors of State Street church had a pleasant social last evening in the church parlors. The hours, seven to nine, were spent with various kinds of interesting entertainment. There were a large number of the young people of the church present at this pleasant social. During the evening refreshments were served by the social committee in charge.

Gave Birthday Party

for Little Son.

Mrs. C. H. Story gave a delightful little children's party yesterday afternoon for her little son, Harry Garner. Yesterday was the young man's fourth birthday and his mother invited fifteen of his little friends in to help celebrate the event.

Mr. Story took the children for a car ride in the afternoon and when they came back they enjoyed the good things to eat, that the hostess had prepared.

Miss Elizabeth Long and Mrs. Carl Robinson assisted Mrs. Story in entertaining.

W. F. M. S. of Ebenezer

Church Met Friday

A regular meeting of the W. F. M. S. of Ebenezer church was held Friday afternoon at the home of Mrs. George Mason on Webster avenue. There was a very good attendance, the company including a number of guests as well as members. Mrs. Mason was assisted in entertaining by her daughters and by Mrs. T. B. Fozzard.

The devotional exercises were led by Rev. Mr. Bracewell, and the program included a vocal duet by Mrs. Clyde Black and Mrs. James Martin; an instrumental number by Miss Ruby De-Esther Mason.

During the social hour which came after the program the hostesses served delicious refreshments. The next meeting of the society will be held the latter part of the month at the home of Mrs. Edward Patterson.

Mrs. Moriarty Hostess

at Charming Reception.

A charming informal reception was given yesterday afternoon by Mrs. Paul Moriarty in honor of Mrs. E. G. Stine, of Columbia, Mo., who is a guest in the city. The hours were from four to six and a number of guests were invited to meet Mrs. Stine.

The Moriarty home on West College avenue was artistically arranged with roses and gladiolas. Afternoon tea was served in the dining room where the hostess was assisted in serving by some of the girls of the younger set.

Mrs. J. A. Bellatti, Misses Rose and Anne Bellatti and Miss Ethel Wylder, sister of the guest of honor, assisted in the entertaining.

MISS HESTER DETRICK  
TO BE A JUNE BRIDE

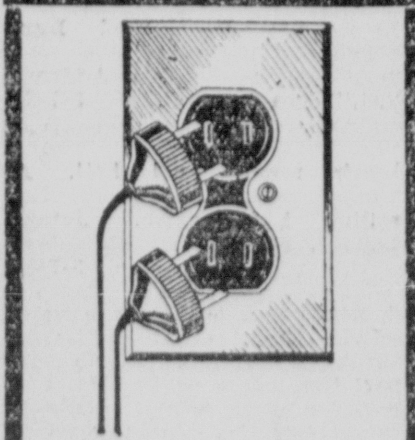

Approaching Marriage of Concord Girl to Clarence Nicol Announced at Sewing Thursday Afternoon.

Concord, May 6.—Mrs. George Detrick gave a sewing Thursday afternoon at her home in the Concord neighborhood, the hours being from 3 to 6 o'clock. The guest list included relatives and intimate friends to the number of eighteen and the afternoon was one of real social interest.

The event was in reality an announcement party and made known the approaching marriage of Miss Hester Detrick, daughter of Mr. and Mrs. George Detrick, to Mr. Clarence Nicol, of Concord. The wedding is set for a date early in June.

The happy secrets were told by means of dainty pink and white candies bearing the initials "D" and "N." The Detrick home was very prettily decorated with spring flowers and all appointments were such that it was a very delightful social event.

MATRIMONIAL

Chapman-Stice.

One of the prettiest of spring weddings was solemnized Friday, May 6th, when Miss L. Lucetta Stice became the bride of Ray Chapman, son of Mr. and Mrs. A. B. Chapman, of Jacksonville.

The ceremony took place at 4 o'clock at the parsonage of Rev. J. N. Grisso of Petersburg. The house was beautifully decorated with ferns and cut flowers. Miss Dorothy O. Stice, sister of the bride, presided at the piano. They were attended by Miss Alna Clary and Lee Dodd, both of Petersburg. The bride was attired in a pretty frock of grey crepe de chine with hat and slippers to match, and wore a beautiful corsage of sweet peas. The bridesmaid wore a dress of pink organdie with hat to match and carried a bouquet of pink roses. After the ceremony they left for a brief wedding trip to several western states.

FORMER RESIDENTS HERE

Max and Donald Swartout, former residents of Jacksonville and for several years in the musical department of Millikin University at Decatur, will be in Jacksonville today, guests at the home of Mr. Charles P. Gillett. The visitors come at this time to serve as judges of the musical numbers in an intellectual contest at the David Prince school.

FINE PLAY GIVEN AT  
CENTRAL POINT SCHOOL

Pupils of Miss Marguerite Steinmetz Present "An Old Maid's Club" at School Near Woodson Thursday Evening.

Pupils of Central Point school two miles east of Woodson presented "An Old Maid's Club" Thursday evening at the school house. The building was filled to capacity and many were unable to gain admittance. The proceeds for the evening amounted to something more than \$53 and in every way the event was a success. Following the play ice cream and cake were served and the patronage was very liberal.

The children were trained by Miss Marguerite Steinmetz, the teacher of Central Point, assisted by Mrs. William Cooper and Misses Elizabeth and Margaret Walsh. All took their parts exceedingly well and reflected much credit upon themselves and upon their instructors. The play was preceded by a brief program as follows:

Recitation—"Why Don't the Men Propose"—William McKean.  
Solo—"Miss Margaret Walsh."  
Recitation—"An Old Maid's Prayer"—Dorothy Rea.  
Solo—"Geraldine Seymour."  
The cast of characters is given below:  
The president—Iva Winters.  
Her hero—Howard Megginson.  
His sister—Rowena Megginson.

Vice president—Dorothy Rea.  
A Spinster—Helen Rea.  
The secretary—Anna Cooper.  
A poetess—Marguerite Steinmetz.  
An old maid—Dorothy Taylor.  
A lover of dogs—Mabel Winters.  
The Journal reporter—Elizabeth Walsh.  
A Disturber—Margaret Walsh.

WITH THE SICK

S. S. Knoles, who has been very ill at the home of his brother, T. S. Knoles, is much improved in health. Mrs. Thomas Brooks is seriously ill at her home north of the city. Her many friends will be sorry to know that there are but slight hopes for her recovery.
